Particularly we invite young scientists and students to present their papers
and posters at this international conference.

**Please register your paper or poster together with an abstract of
max. 1.500 characters online until October 24, 2014: www.2015.dkg.de**

Call to all young ceramists and graduates

To commemorate Prof. Dr. Hans-Walter Henricke and to honor his achieve-
ments in education in ceramics, the DKG annually holds the Hans-Walter-
Henricke Lecture Competition. Since 1995, graduates who have finished
their studies within the last year at a university or a technical college
in the field of ceramic science, are invited to present their thesis
as a lecture. Along with the sponsor of the competition, the
**Morgan Technical Ceramics W. Haldenwanger Technical
Ceramics GmbH & Co. KG, Waldkraiburg**, we call for
the lecture competition 2015. **The first prize is en-
dowed with 1,500 euros.** The second and third
prizes amount to 1,000 and 500 euros.
